

With the warm weather coming our way, please remember that the school dress code will be consistently enforced. If you are wearing an item that is not permitted, students will be required to change the item or they will be sent to ALE for the day. If a student repeatedly fails to follow the dress code, discipline may include out of school suspension.

Items of particular concern that **will not be permitted** include, but are not limited to:

- Extremely brief or revealing garments
- Skirts and shorts that are shorter than mid thigh
- Sunglasses
- Spaghetti straps
- Plunging necklines on shirts (front or back)
- Underwear not covered by outer garments (including bras straps)
- Footwear that is a safety concern

The full dress code is in the student agenda. Please read it carefully and be sure to keep it in mind as you decide how to dress for the day.
